01/2014

Visit to Huawei Technologies Co. Ltd . Topic of the Visit is: Smart Cameras and 360° 3D Vision

Host Person: Dr.. P.Zhang

11/2011

Visit to Hong Kong University of Science and Technology, Hong Kong . Topic of the Visit is: 360° 3D Vision using the Bio-inspired Dynamic Vision Stereo Sensor

Host Person: Prof. A.Bermak

01/2006

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW FM Test - Phase 6-

Host Person: Mr. H.Feuchtgruber

11/2005

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW FM Test - Phase 5-

Host Person: Mr. H.Feuchtgruber

9/2005

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW FM Test - Phase 4-

Host Person: Mr. H.Feuchtgruber

8/2005

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW FM Test - Phase 3-

Host Person: Mr. H.Feuchtgruber

7/2005

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW FM Test - Phase 2-

Host Person: Mr. H.Feuchtgruber

6/2005

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW FM Test - Phase 1-

Host Person: Mr. H.Feuchtgruber

11/2004

Attending the Workshop on Multiscale Geometric Methods for Astronomical Data Analysis at the Institute for Pure and Applied Mathematics (IPAM) in UCLA , California, USA.

Organizers: Dr. J-L. Starck and Dr. V. Martinez

7/2004

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW CQM Test - Phase 3-

Host Person: Mr. H.Feuchtgruber

3/2004

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW CQM Test - Phase 2-

Host Person: Mr. H.Feuchtgruber

2/2004

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame

of the ESA-HERSCHEL Project. Topic of the Visit is: SPU HLSW CQM Test - Phase 1-

Host Person: Mr. H.Feuchtgruber

11/2003

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: ESA Review of PACS Instrument Hardware Design Review - SPU HLSW Presentation -

Host: European Space Agency

7/2003

Visit to University of Cagliari , Department of electrical and electronic engineering, Italy. Topic of the Visit is: Agro-alimentary Quality Control.

Host Person: Prof. A. Fanni

6-7/2003

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: Improvement of Data Compression for HERSCHEL/PACS

Host Person: Mr. H.Feuchtgruber

1-3/2003

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: Development, Test and Debugging of the SPU HLSW

Host Person: Mr. H.Feuchtgruber

12/2002

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: Development, Test and Debugging of the SPU HLSW

Host Person: Mr. H.Feuchtgruber

9/2002

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: AVM test for PACS

Host Person: Mr. H.Feuchtgruber

6-8/2002

Visit to Canaries Institute for Astrophysics in Tenerife (IAC) , Spain, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: Development, Test and Debugging of the SPU HLSW

Host Person: Mr. J.M. Herreros

4/2002

Visit to Canaries Institute for Astrophysics in Tenerife (IAC) , Spain, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: Development, Test and Debugging of the SPU HLSW

Host Person: Mr. J.M. Herreros

2/2002

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: ESA Review of PACS Instrument Baseline Design Review - SPU HLSW Presentation -

Host: European Space Agency

7/2001

Visit to University of Cagliari , Department of electrical and electronic engineering , Italy. Topic of the Visit is: Development of Neural Network Techniques for Agronomical and Industrial Applications.

Host Person: Prof. A. Fanni

6/2001

Visit to the University of Hannover, department of Electrical Engineering , Germany. Topic of the Visit is: DSP Implementation for Video Coding.

Host Person: Prof. H.G. Musmann

3/2001

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: ESA Review of PACS Instrument Intermediate Design Review - SPU HLSW Presentation -

Host: European Space Agency

11/2000

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: Concept for the SPU HLSW

Host Person: Mr. H.Feuchtgruber

7/2000

Visit to Max-Planck Institute for Extraterrestrial physic (MPE) , Garching, Germany, in the frame of the ESA-HERSCHEL Project. Topic of the Visit is: Discussion on the PACS Operating and Observing Modes

Host Person: Mr. H.Feuchtgruber

5/2000

ERASMUS Intensive Program at INSA -Lyon (MPE), France.

Host Person: Prof. J.M. Jolion

11/1999

Visit to Catalan Polytechnic University in Barcelona , Spain. Topic of the Visit is: Digital Filter Implementation in the Discrete Space

Host Person: Prof. J.S. Alvarez

9-10/1999

Visit to University of Cagliari , Department of electrical and electronic engineering , Italy. Topic of the Visit is: Digital Filter Design in the Discrete Space.

Host Person: Prof. M. Marchesi and Prof. A. Fanni
